

DAYN AUGUSTSON

PROFESSIONAL SUMMARY

I have 24 years of professional experience in the technical industry. I am interested in utilizing my skills in front and back end web development to create interesting and engaging websites for clients.

EXPERIENCE

- | | | |
|--|---------------------------------------|-----------------|
| 10/2018 – 12/2018 | Deep Dive Coding | Albuquerque, NM |
| <i>Fullstack Web Developer</i> | | |
| <ul style="list-style-type: none">• Developed websites using languages including HTML5, CSS3, Javascript, and Angular.• Optimized websites using Object Oriented Programming methods.• Interface websites to MySQL databases using PHP.• Development tool used for website creation included jQuery and Bootstrap.• Used GitHub for version control. | | |
| 04/2010 – 12/2017 | Primecore, LLC | Albuquerque, NM |
| <i>Designer/ Engineering Technician</i> | | |
| <ul style="list-style-type: none">• Used AutoCAD to create fabrication drawings and documentation for the technical department.• Worked with Electrical and Software Engineers to design specialized electrical racks/chassis, custom cables, PCB layouts.• Reverse engineered products that lacked sufficient documentation.• Mentored assembly technicians and provided ongoing assistance to support success.• Assisted technicians with fabrication when strict deadlines challenged the schedule.• Documented engineering change notices and schematic build modification changes. | | |
| 06/2000 – 11/2009 | National Technical Systems | Albuquerque, NM |
| <i>Technician Manager</i> | | |
| <ul style="list-style-type: none">• Project management of hardware design department.• Provided skilled work in the design, assembly, installation, repair, operation and maintenance of electronic equipment and systems.• Provided engineering recommendations for improvements to prototype system designs.• Designed PCB board layouts using industry software.• Provided manufacturing and technical support for the Boeing Balance Stand Project. | | |
| Fall/1994 – 06/2000 | Electronics Technical Services | Albuquerque, NM |
| <i>Supervisor of Production Engineering</i> | | |
| <ul style="list-style-type: none">• Supervised start-up electronics manufacturing for new contracts and existing product lines.• Programmed and developed operations for CSM pick and place machines.• Defined quality assurance controls for projects.• Built first article circuit boards following schematics and project specific requirements.• Wired complex one of a kind chassis.• Managed projects to meet deadlines and ensure client satisfaction. | | |

Education

- University of New Mexico, Psychology/Sociology. Senior Year 1996
- CNM, Deep Dive Coding Fullstack Web Development Program.

Volunteer Experience and Causes

06/2007 – 06/2010

Brujos Rugby Club Inc.

Albuquerque, NM

President

- Successfully converted club to a non-profit 501c3 charitable business.
