PROFESSIONAL SUMMARY

I have 24 years of professional experience. I am interested in utilizing my skills in front and back end web development so I don't have to live under a bridge.

EXPERIENCE

- | | | |
|--|---------------------------------------|-----------------|
| 10/2018 – 12/2018
<i>Fullstack Web Developer</i> | Deep Dive Coding | Albuquerque, NM |
| <ul style="list-style-type: none">• Developed websites using languages including HTML5, CSS3, Javascript, and Angular.• Optimized websites using Object Oriented Programming methods.• Interface websites to MySQL databases using PHP.• Development tool used for website creation included jQuery and Bootstrap.• Used GitHub for version control. | | |
